

## **COMPANY STATEMENT**

### **OF THE AIMS, PRINCIPLES AND PRACTICE**

**Last update: September 2022**

UK Study Centre Guardianship is committed to ensure that its nature as an international student support provider is more than just words. We are committed to help students to enter the welcoming, safe and stimulating learning environment that will enable them to become responsible members of the international community. We are aware that our students bring different experiences, interests and strengths, which will influence the way they learn and develop their independence.

We will strive to provide efficient support by making sure that staff, schools, host families and parents work actively together to ensure children receive a rich, inspiring, dynamic and engaging education enabling each child to become a lifelong learner, aspiring to high standards of achievement in all areas of their life. We are also keen to promote the child's self esteem so that our children have the confidence to take on new challenges and make informed choices throughout their lives.

We retain overall responsibility for all students and we are available 24/7 in case of emergency. Depending upon the needs of individual student's, we allocate them to an experienced host family to work with us and to accommodate them when required, including in case of emergency. We stay in touch with students and their parents for any questions they might have.

UK Study Centre Guardianship is a caring and friendly company where students and adults who support them share a passion for learning and safeguarding, which is lived through our values of;

**Safety** - to make sure the children are protected from harm

**Trust** - to build solid relationship between each other

**Wisdom** - to make the right choices

**Creativity** - to fully develop talents

**Support** - to have a plan in case of issues

**Achieve** - to develop full potential

## Mission Statement

UK Study Centre Guardianship seeks to offer support by:

- providing opportunities so that each child is happy, can achieve success and fulfil his or her potential
- encouraging social, emotional, spiritual, physical and creative development
- supporting independence
- creating a welcoming, safe and stimulating environment where everyone is valued, listened to and respected
- encouraging and enabling the continuous professional development of staff
- nurturing strong partnerships and positive relationships with parents, hosts, schools and students

We want our children to be polite, caring, and tolerant; to take responsibility for their own actions and be aware that their actions affect the lives of others.

We are an equal opportunities company and do not discriminate on the grounds of gender, sexual orientation, marital or civil partner status, gender reassignment, race, colour, nationality, ethnic or national origin, religion or belief, disability or age.
